Owl's Nest Trip

August 29th - 31st 2015

Another Winter Tour domestic trip is in the books.

Thanks to Keven for bringing all the food and preparing 2 excellent meals for the group.

We had a very slow 1st round at Canterbury woods resulting in a late check-in at the condos but after that everything went smooth.

Great weather, played 2 very nice courses, and had plenty of food and beverages.

24 players, 95 rounds of golf, 8,300 total strokes

There were 29 rounds where someone shot their handicap (index) or better - Andrew, Bob, and Chris G did it all 4 rounds.

Average 18 hole scores - gross 87.4, +15.4 - net 75.2, +3.2

Using indexes accounts for a couple strokes so as a group we averaged just 1 stroke over par vs course handicaps.

That's a 3 stroke improvement over last years trip to Killington.

Overall money winner for the weekend was Andrew with \$77.50, Bob was 2nd at \$75, and Artie 3rd at \$65.

All 24 players managed to cash in a least 1 winter tour golf event.

There was some very good golf played by Andrew and Bob as they ran away with the low gross and low net honors.

1st low gross was Andrew with a total score of 295, +7, 2nd gross was Big Mike at 322, +34, 3rd gross was Paul at 324, +36.

1st low net was Bob with a total net score of 269, -19, 2nd net was Chris G at 281, -7, 3rd net was Ben at 284, -1.

The 3 day skins event (50% handicap) ended up with no skins.

There were 4 holes cut with eagles, 13 cut with birdies, the only hole with no net birdies was #1.

The \$48 was added to the winter tour slush fund.

There was only 1 "Mooch" award for this trip as everyone cashed in at least 1 event:

The Mooch award given out went to Donna for weekend high net with a total net score of 339, +51. - \$20 Commish award

A new award was established for the trip lightweight as the 1st to bed each night - this years winner was Artie.

Going forward this will be known as the "Artie" award.

Overall it was a quiet weekend off the course compared to previous trips.

Some of the non golf highlights:

We had a couple late nights at the house with Owen's rule that no one (but the commish) could go to bed before the guests left.

2:30AM on Saturday, a little earlier 1:30AM on Sunday (probably because the rule maker had to leave and wasn't around)

Phil and Chris G were 2 of the last to leave both nights and will have to be moved out of the "light weights" accommodations for future trips.

There was a short game of flip cup on Saturday, it ended after the 1st game as folks realized we wouldn't last long if we continued.

Saturday night Andrew violated Owen's rule about not going to bed before the guests left.

Result was a late night encounter with some hot dogs which Owen video taped.

The video was reviewed by the commish and deemed not appropriate for the winter tour website.

If you haven't seen it you can ask Owen to show it to you.

On Sunday night we had DJ Ben entertaining the group with 50's and 60's music that had folks singing and dancing in the living room.

The music changed to 70's and 80's for the late night crowd (no singing or dancing).

We ended the evening activities on Sunday night with a few closest to the pin contests on hole #7 a little after midnight.

There was dew on the ground at the time so I'm sure we left our tracks around the green and leading directly back to the house.

I was expecting to be questioned about it when I arrived at the course on Monday but no one said anything.
