**September 9th - September 18th 2022**  
**Final Results**

Notable moments / highlights from the trip.

1 - Weather was the best we've have on an international trip

The 1st 4 days were mostly sunny with temps in the mid 60's.

Only rain we saw was on day 2 for the back nine at North Berwick

Day 3 was the toughest conditions with steady winds on 30-40 MPH at The Renaissance Club.

On day 5 we moved to St Andrews and for the rest of the trip it was overcast with temps in the 50's, winds 15-20 MPH

Overall pretty good weather for 8 days in Scotland.

2 - We had the Winter tours 1st event with modified Stableford Tilt scoring, scoring proved difficult for everyone

and ended up requiring the computer to figure out the winners. It was a fun format but need electronic scoring to do it again.

3 - A stolen Brass Duck - Somehow the Duck fell into Jonesy travel bag when he was packing to move from the Ducks inn to St Andrews.

The cleaning staff had noticed the duck in his room a couple days earlier and that it was missing when we left.

After getting an e-mail from the Ducks Inn manager Jonesy checked his bag and found the duck, causing us to back track after golf at Gullane #1 so Jonesy could return the Brass Duck

4 - Celebrated Andrew's 57th Birthday on the last night at restaurant 18 overlooking the 18th hole of the old course.

We bought him 4 shots and then unlike his 50th birthday he shut himself off.

In the weeklong team event Hawkins Heroes defeated Born from Bourbon by 53 strokes (6279 to 6332).

Hawkins Heroes built an early lead of 48 strokes after the 1st 3 rounds and Born from Bourbon never got closer than 44 strokes.

In total the group took 13,516 strokes to complete the 10 rounds

Average gross score 84.5 / +13.3

Average net score 76.9 / +5.6

Of the 160 rounds played there were 20 rounds where someone shot net par or better.

9 rounds where someone shot better than net par - Darren at Gullane #2,

Bob, Darren, Jonesy, Mike R at Craighielaw, Darren at North Berwick, Mike M at Gullane #1, Kevin at Dukes, Darren at Jubilee

11 rounds at net even par - Paul, Kenny G, Jack at Gullane #2, Kenny G at Craighielaw, Don, Jonesy at North Berwick,

Bob at Gullane #1, Alex, Darren, Mike R, Jack at the New course, Kate at Castle course

Lowest average scores for the group was +2.4 at Gullane #2, 2nd was Gullane #1 at +3.0, 3rd North Berwick at +3.8, 4th Craighielaw at +4.2

Not coincidently these were 4 of the 1st 5 courses we played

Highest average scores were +8.8 at Jubilee, 2nd was The Renaissance Club at +8.5

The 2 days with steady winds of 20-40 MPH.

Leading money winner for the trip was Darren with 182.5 GBP, 2nd Bob with 175, and 3rd Alex with 160.

Darren played the best golf of the group taking low net honors at +1 for the week.

9 of Darren's 10 net scores were between -4 and +1, off the charts for previous international trips

Jack was 2nd at net +23, Mike R 3rd at +45, Alex 4th at +46, Mark 5th at +48

Jack took low gross at +50, Alex was 2nd at +82, Darren 3rd at +86, Paul 4th at +89, Jonesy 5th at +98

The Mooch award (highest net vs par) goes to Andrew with a total net score of +86 for the week, beating out Chris +75.

## Tilt Scoring

Website with scoring/rules - <https://nolayingup.com/blog/tilt>

### Scoring (Net Scores)

Double bogey or worse: -2 points (Official rules say -4 but reducing to -2 for Winter Tour events)

Bogey: 0 points

Par: 2 points

Birdie: 4 points

Eagle: 8 points

Albatross: 16 points

This is all pretty standard. Things get exciting when you make a net birdie, which officially puts you on TILT. Your next hole is worth 2x the points, so a (net) par will earn you 4 points instead of 2. The same goes for the negative points. If you make (net) double or worse, you lose 4 points instead of 2.

The real fun comes in when you really get hot. Two net birdies in a row puts you on Triple Tilt, and your next hole is worth 3x the amount of points.

A net eagle is essentially treated as two birdies in a row. If you make a net eagle (assuming you're not already on tilt), you earn your 8 points, and you bypass the 2x to get a 3x bonus on the next hole. If you're already on 2x Tilt, and make a (net) eagle, you're now on 4x playing the next hole.

A net par or worse takes you off Tilt, and makes your next hole worth the normal allotment of points.

### Example

After a par-bogey start, Neil is getting dialed in. A long dart on the 3rd tee has him refocused, and on the par-4 3rd, he makes a comfortable 4 for 3. He collects his 4 points for the net birdie, and walks to the 4th tee officially on tilt. He makes a natural birdie (without getting a stroke) on the 5th, and seeing as how he was on Tilt (2x), that birdie is worth 8 points (4x2). He heads to the 6th on 3x! The nerves are real, and he pumps one OB. The arms assume the normal surrender cobra position, followed by the shoulder slump that we've seen oh so many times. Neil makes a 10 footer for double, but the damage is done. He loses 6 points (-2x3), and falls back to the
