

## First Annual "Phippy Cup" Format (2020)

Format is 2 net. 4 net pars or better is an extra stroke. Remember this is in honor of Phippy whose motto was "While were young". Make him proud and stay up with the group in front of you.

We now will have a new trophy in honor of Phippy. Jack T came up with the great idea of having a trophy and went out and ordered one he'll be picking up next Thursday. The Phippy Cup will now be a Winter Tour annual event in honor of one of the most courageous man we will ever know.

Saturday is going to be an event to honor our hero Phippy. As we all know he loved playing golf and kept him going for so many years. Over the last several years he had become very weak playing from the Red tees. His long drives had dropped to just 135 - 140 yds on a good day.

Well we're all going to get to play in his heavenly shoes on Saturday.

**Everyone will be playing from the Red tees but the longest club in your bag that you will be allowed to play must be a club you can hit on average 140 yards.** We'll be using 80% of handicaps from tees folks typically play. Ladies will be 100% handicaps. We'll be using the Red Tee handicap for strokes. As Phippy did, the 4th hole will be played from the Red tees across the ravine. We'll play it as a Par3 but most will still be stroking based on the Red Tee handicap.

Phippy had a strong desire to get to Foxwoods over the past few weeks. We were hoping to be taking him and his sister Maryellen who has been his Godsend bringing him to the course from Hudson over the past few months and returning to pick him up. Mike was looking forward to it bringing it up often.

We will be taking the **\$10** entry fees for this event to give to Maryellen for a Foxwoods trip at an appropriate time bringing her Angel Phippy with us. Leslie has made a symbolic Angel for Maryellen to bring along. When we schedule the trip, anyone wishing to join us is more than welcome once we set a date.

Will the **1st name in bold** on each team listed below please collect from the group and give it to Kevin at the end of the round so we can package it up to present as a surprise to Maryellen.

Instead of paying out on Saturday, team winners will instead have their names on the already Prestigious "Phippy Cup" trophy.

**We'll be honored to have Mike's two sons (Matt and Tom) playing in the event.**

**Phippy's employer (Phoenix Color) is generously donating \$200 and also picking up the cost of the "Phippy Cup" trophy (\$165) being picked up by Jack Tannar.**

Great idea from Kevin on the format and having this event.
