Killington Trip

August 18th - 20th 2018

Results

Overall a great trip, perfect weather, good accommodations, great food, and a couple great golf courses (Green Mountain and Okemo).

Golf highlights:

During the trip I witnessed one great golf shot and a few really bad ones.

On Monday Bob almost had a hole in one on the 135 yard par 3 8th hole.

Similar to his hole in one a few years ago at "Kimball's National" there were many witnesses, 8 on the tee and 4 more by the green some 200 feet below.

Bob hit his 8 iron, directly at the flag, it hits on the front of the green rolls about 15 feet and hits the pin,

unfortunately it didn't go in and ended up about 4 inches to the left of the hole.

As for the bad one's - while playing with Andrew on Sunday afternoon I had to watch him hit a couple "shanks".

He also had one on Monday that almost hit Mike P on the forward tee some 50 yards the right.

Luckily I didn't catch the disease, but Kevin wasn't as fortunate. On Monday he had such a back case of the "shanks"

it got to the point that on the par 3 145 yard 17th hole Kevin decided to "bunt" a 5 wood rather than hit an iron (can't shank a 5 wood).

As for the scores:

20 players, 80 rounds of golf, 7,101 total strokes

Average 18 hole scores - gross 88.8, +17.8 - net 77.6, +6.6

Best round was Jack F's 73, net 66, -5 at Green Mountain National in the morning round (yes Andrew, he posted the score).

There were 8 other rounds where someone shot their handicap (index) or better - Kevin -2, Bruce -1, Roger Even at Killington,

Mark -3, Mike P -2, Paul -1 at Green Mountain PM, Phil -1, Paul Even at Okemo.

14 of the 20 players were on the Killington trip last year. For the 3 rounds (Killington + 2 at Green Mountain) the 14 were 15 strokes better.

Jack F improved the most (-16 strokes), Kathy G the least (+10 strokes)

11 of the 20 players were on the Killington trip in 2014. For the 4 rounds (Killington + 2 at Green Mountain + Okemo) the 11 were 69 strokes better.

Kevin improved the most (-54 strokes), Andrew the least (+21 strokes)

Overall money winner for the weekend was Jack F with \$95, Andrew was 2nd at \$90, and Paul 3rd at \$75.

All 20 players managed to cash in a least 1 winter tour golf event so there was no Mooch award for non-winners.

Low net honors go to Jack F with a total net score of 293, +9, 2nd net was Mike P at 294, +10

Low gross honors go to Paul with a total score of 311, +27, 2nd gross was Mark at 318, +34

The "Mooch" award goes to Ellen for weekend high net with a total net score of 336, +52

From the non-golf side:

1st off, thanks to Keven for everything he does to make our trips so successful

It takes a lot of time and effort to plan, procure, and prepare the evening meals for us.

The double elimination corn hole tournament was played over 2 days with 7 of the 10 teams advancing to the 2nd day.

The winners were Mike McB and Mike P, coming out of the losers bracket and defeating Paul and Ellen in the finals

Saturday evening was pretty lively with the cornhole tournament going on until a little after 10.

After the tournament was suspended for the night a few folks played some cornhole games for \$.

Mike McB and Mark took some money from Kevin and Chris and for some reason I let Andrew partner with me against Mike McB and Mark.

It turned out better than I expected as the day of alcohol consumption caught up with Mark.

For the whole game I don't think he hit the board more than once or twice, most throws weren't within 3 feet of the board.

That was the last game. Mark went to bed, the rest of us went in the house and had a night cap or two before calling it a night.

The group keeps getting older and Sunday evening was our quietest ever on a winter tour trip.

The cornhole tournament was completed but there were few spectators outside watching.

After dinner most folks were sitting around watching TV or had already retired to their rooms.

Dean wanted to go find some live music but found no takers, everyone but Kevin was in bed by 10:30.

The Artie award for 1st to bed went to Disco. (although there were many others close behind).
