

First off, on behalf of Karyn and me, thank you 'winter tour' for the generous gift card-that's going to get a huge KFC bucket! You're too kind.

I know there were lots of different stories going around in the Fall regarding my plans. After meeting with Lou 2 days ago and getting the "green light" from the doctors, I'm excited and looking forward to my 10th Season at Shining Rock. Lou, John Cahill & myself are the only original 3 from day one and I'm proud to keep that going a bit more. Thank you all for the nice words and support.

Okay, just a few dates to help you plan:

The entire full member weekend event schedule will be going out some time in March. The initial event will be [Sunday April 28th.](#)

[Monday night](#)league (13 weeks) will begin [May 6th.](#)

[Wednesday night](#)Chad DiGregorio all member league will begin [May 8th.](#)

*Number of teams signing up will determine how many matches are played. We certainly hope to get more than last years 20 teams....unable to make all matches should NOT deter you from playing, there is always a healthy alternate list.

10th Annual Member/Guest [Thursday July 11th.](#)

Club Championships [Saturday & Sunday August 3-4.](#)

GOLD TEE 2 Man Invitational [Thursday September 26th.](#)

By popular demand, Lou and I will meet in April to find a date for a **2nd Member/Guest for this Season.** It is THE best event at SR with some players left out last couple years..we don't like having members shut out of any event..so why not?!

Finally, Lee's Florida Shootout is scheduled (90% confirmed by PGA) [January 18-22, 2020.](#) Arrive Saturday 18th-opening dinner, play Sunday, Monday & [Tuesday, dinner&](#) awards that night, check out Wednesday. Many more details to follow. Sadly, at this time I

have been allotted for just 36 players, less than our original 40 from last year....am working on it-stay tuned.

Okay, enough for now. My member list is not up to date, so please inform anyone you hear that did not get this email and have them send me their address. Plus, I assume these details will be passed along via the winter tour website.

Again, all event entries will be through me via email only, but please wait until the schedule goes out....although I did bump into Mooch the other day and he "signed up" with 3 guests for July !!

Happy Holidays to all and I have special thoughts going out to Mike and David...I will see them, along with everyone else, 'on the tee"

God Bless,

Lee
