

## 2019 Rules and Understandings

All,

After many hours of working with the software company, Lou has created the schedule of matches for both divisions...obviously, with our Welch Division starting with a 4:30pm shotgun, then becoming tee times, it was quite detailed.

For our new members, welcome; the format is teams play one best ball net for 1 point per hole at 90% handicap, stroking off the low player in the foursome. I will send out point standings each week and total points accumulated determine all prize winners at the closing dinner.

It is up to the player to find a "sub" if needed. The sub list was included on the previous email and their emails are included in the mailing list. Please inform me **no later than** 10:00 am that Wednesday who the player will be so scorecards can be made up etc. **DO NOT** inform me of subs that will occur weeks ahead...let's do this on a weekly basis as not to create any mistakes. Also, if a sub simply shows up without our knowing, it's up to that group to make up a proper scorecard.

Any card turned in without the result of the match, will not be accepted. Both teams will receive zero points.

I have been asked to mention a couple reminders...

-no practice holes allowed to be played before your match. Playing a round, 9 or 18 earlier is fine, but there is no more "warming up" on the course for this **or any other time** going forward. Please loosen up at the practice net.

-shotgun players should be in place to hit the ball at 4:30 pm. **Late arrivals will not participate or make up any hole missed.**

-if the entire group is late, that initial hole will not be made up...match will be 8 holes or less

Okay, ENOUGH with the rules and regulations etc...now it's time to get started and have some fun like only we do at Shining Rock.

Lou, myself & John Cahill are the only ones that have been here since day 1-TEN years ago...and it's very much because of our loyal (family) membership.

We thank you all and look forward to another active campaign!
